

Elizabeth Patterson

Managing Consultant

NFP Corporate Benefits

Elizabeth Patterson is a Managing Consultant and Health Care Reform Practice Lead for NFP with more than 25 years of experience in the employee benefits industry. As a key member of NFP's Management Team, Elizabeth is responsible for compliance, talent development and succession planning as well as overall practice management.

In addition to her management responsibilities, Elizabeth works directly with clients on a day to day basis. Her vast industry experience coupled with her attention to detail, and technical aptitude are critical to producing extraordinary results for her clients.

Prior to joining NFP, Elizabeth worked with a regional consulting firm where she specialized in helping merger and acquisition clients consolidate their benefit plans. Previous to that, Elizabeth spent several years at Prudential where she worked in the contract department and the sales office.

A resident of Lafayette Hill, Elizabeth is an avid golfer and an active speaker for the Career Services department at Arcadia University, the Long Term Care HR Roundtable, PEBA and SHRM. Elizabeth earned a Masters in English from Arcadia University (formerly Beaver College) and a B.A. in English with concentrations in Business and Education from Virginia Tech. She earned the FLMI designation from LOMA (Life Office Management Association) in 1996.
