

Kyle Corum, CPA, CFE

Kyle is Senior Manager with Bernard Robinson & Co LLP. He has over 14 years of experience in audit and assurance. Kyle is responsible for all aspects of client audit engagements. Kyle also works with a variety of industries including manufacturing, wholesale and distribution, not-for-profits, homeowner associations, private schools, software companies. A significant amount of Kyle's career has been focused on Employee Benefit Plan Audits including: defined contribution, defined benefit, ESOP's, and Health and Welfare plans. His responsibilities include planning, supervision and review of clients' benefit plans ensuring that each engagement meets professional standards and addresses any accounting or reporting issues with management. Mr. Corum is a Certified Fraud Examiner (CFE) and provides all firm audit teams with the additional resources, and beneficial recommendations related to internal control design and operations. As a Certified Fraud Examiner, Kyle leads any investigations related to fraud in an organization.
